

ASSEMBLY BILL

No. 2691

Introduced by Assembly Member Harkey

February 21, 2014

An act to add Section 6012.4 to the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

LEGISLATIVE COUNSEL'S DIGEST

AB 2691, as introduced, Harkey. Sales and use taxes: wireless communication devices: bundled transactions.

The Sales and Use Tax Law imposes a tax on retailers measured by the gross receipts from the sale of tangible personal property sold at retail in this state, or on the storage, use, or other consumption in this state of tangible personal property purchased from a retailer for storage, use, or other consumption in this state. Under existing sales and use tax regulations, gross receipts from a retail sale of a wireless telecommunication device sold in a bundled transaction with wireless telecommunication service is generally equal to the amount of the unbundled sales price of the wireless telecommunication device.

This bill would, instead, limit the gross receipts from a retail sale of a wireless telecommunication device sold in a bundled transaction with wireless telecommunication service to the bundled sales price of the wireless telecommunication device.

The Bradley-Burns Uniform Local Sales and Use Tax Law authorizes counties and cities to impose local sales and use taxes in conformity with the Sales and Use Tax Law, and existing law authorizes districts, as specified, to impose transactions and use taxes in accordance with the Transactions and Use Tax Law, which conforms to the Sales and

Use Tax Law. Amendments to state sales and use taxes are incorporated into these laws.

Section 2230 of the Revenue and Taxation Code provides that the state will reimburse counties and cities for revenue losses caused by the enactment of sales and use tax exemptions.

This bill would provide that, notwithstanding Section 2230 of the Revenue and Taxation Code, no appropriation is made and the state shall not reimburse any local agencies for sales and use tax revenues lost by them pursuant to this bill.

This bill would take effect immediately as a tax levy.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
